

MRS. LYON'S ACHES AND PAINS

Have All Gone Since Taking
Lydia E. Pinkham's Veg-
etable Compound.

Terre Hill, Pa.—"Kindly permit me to give you my testimonial in favor of Lydia E. Pinkham's Vegetable Compound. When I first began taking it I was suffering from female troubles for some time and had almost all kinds of aches—pains in lower part of back and in sides, and pressing down pains. I could not sleep and had no appetite. Since I have taken Lydia E. Pinkham's Vegetable Compound the aches and pains are all gone and I feel like a new woman. I cannot praise your medicine too highly."—Mrs. AUGUSTUS LYON, Terre Hill, Pa.

It is true that nature and a woman's work has produced the grandest remedy for woman's ills that the world has ever known. From the roots and herbs of the field, Lydia E. Pinkham, forty years ago, gave to womankind a remedy for their peculiar ills which has proved more efficacious than any other combination of drugs ever compounded, and today Lydia E. Pinkham's Vegetable Compound is recognized from coast to coast as the standard remedy for woman's ills.

In the Pinkham Laboratory at Lynn, Mass., are files containing hundreds of thousands of letters from women seeking health—many of them openly state over their own signatures that they have regained their health by taking Lydia E. Pinkham's Vegetable Compound; and in some cases that it has saved them from surgical operations.

Good Cause for Alarm

Deaths from kidney diseases have increased 75% in twenty years. People over-
do nowadays in so many ways that the con-
stant filtering of poisoned blood weakens
the kidneys.
Beware of fatal Bright's disease. When
backache or urinary ills suggest weak
kidneys, use Doan's Kidney Pills, drink
water freely and reduce the diet. Avoid
coffee, tea and liquor.
Doan's Kidney Pills command confi-
dence, for no other remedy is so widely
used or so generally successful.

STORSTAD COMES INTO THE HARBOR

COLLIER THAT COLLIDES WITH
EMPRESS OF IRELAND UN-
DER ARREST.

CAPTAIN GIVES HIS STORY

Denies Charges Made By Commander
of the Lost Ship—Tried to Lo-
cate Empress After Shock
But Could Not Do So.

Montreal—With her bow crumpled
and twisted around at an acute angle
to port, and a gap showing on the
port side only a foot or so above the
water line, in mute evidence of the
tragedy in which she figured, the Nor-
wegian collier Storstad limped into
the harbor early Sunday afternoon. A
few minutes later a warrant of arrest,
taken out by the Canadian Pacific
railway, was nailed to her main mast
by order of W. Simpson Walker, K.
C., registrar of the Quebec admiralty.

The officers and men bore traces
of their harrowing experiences. When
questioned on the subject of the dis-
aster, they were averse to entering
into conversation.

Capt. Anderson declined at first to
discuss the disaster, declaring he
would make a statement later in the
evening. Subsequently, a statement
based on Capt. Anderson's report, as
well as the reports of other officers,
to Messrs. Lange and Griffin, was given
out.

According to the captain and offi-
cers, contrary to what has been stat-
ed by the captain of the Empress of
Ireland, the Storstad did not back
away after the collision, but steamed
ahead in an effort to keep her bow
in the hole she had dug into the side
of the Empress.

The Empress, however, according to
the Storstad's officers, headed away
and bent the Storstad's bow over at
an acute angle to port. After that
the Empress was hidden from the
view of the Storstad and, despite the
fact that the Storstad kept her whistle
blowing, she could not locate the Em-
press until the cries of some of the
victims in the water were heard.

Capt. Anderson absolutely denied he
moved a mile or so away from the
liner. The Storstad had not moved.
It was the Empress which had
changed position, he declared.

MEETING OF MAIL CARRIERS

Officers Elected at Convention at
West Branch.

West Branch, Mich.—The tenth an-
nual convention of the Northeastern
Rural Carriers' association closed a
successful convention here Saturday.
There were carriers present from Bay
City north to the straits. Nearly
three times the number of delegates
present at any other convention in
its history attended. Otto Hazen-
buehler, of Detroit, ex-prosecutor; S.
E. Hayes, of Standish, and Judge
Sharpe, of West Branch, were speak-
ers.

The following officers were elected
for the ensuing year: President, A.
D. Hammond, Turner; vice-president,
Frank Carroll, Omer; secretary,
treasurer, M. F. Parker, Standish.
Delegates elected to state convention
at Detroit: M. F. Parker, Standish;
Charles Jones, Sterling and A. W.
Colby, of Tawas City.

Famous Old Indian Dead.

Marshall, Mich.—With the death of
old Chief Phineas Pamptopee, the
remnant of the Pottawatomi Indians
on the reservation in Athens loses one
of its most picturesque figures. Tough
77 years old, to the last he retained
his proud, erect bearing and the long
hair and earrings of his earlier days.
An aristocrat among his people, he
had long acted as their chief counsel-
or, and while he was friendly with
his white neighbors he did not mingle
with them, preferring the compani-
ship of his own race.

MICHIGAN NEWS IN BRIEF

A \$4,000 addition is to be built to
the present M. E. church at Caro,
which will also be remodeled and ex-
tensively improved.

The city of Battle Creek has select-
ed a week in which to learn to swim.
An expert, George H. Coran, of To-
ronto, will be hired, from funds raised
by the school board, sanitation,
Chamber of Commerce, and other sub-
scribers, to teach "all comers"—prob-
ably at the sanitation pools, since the
"lid" on bathing at Lake Gogunc has
not been removed.

Dr. M. L. Holm, of Lansing, has been
appointed by Gov. Ferris as a delegate
to the annual meeting of the American
Association of Medical Milk Commis-
sioners to be held in Rochester, N. Y.,
June 19 and 20.

John Wadrick, a young man employ-
ed at the Grand Trunk locomotive
shops, at Battle Creek, was drowned
at Lake Gogunc Sunday midnight,
when he started to change seats with
one of a party of seven in a gasoline
launch. Wadrick lost his balance and
went overboard without tipping the
boat.

SUCCEEDS IN CANADA

An interesting and successful Amer-
ican farmer, Lew Palmer, of Staveley,
Alta., passed through the city today.
Mr. Palmer came from Duluth, Minn.,
just ten years ago, and brought with
him four cows and three horses—and
that was his all. He homesteaded in
the Staveley district, and today has
480 acres of land, \$3,000 worth of im-
plements, 34 Percheron horses, made
\$1,000 out of hogs last year, raised
7,000 bushels of wheat, 6,000 bushels
of oats, 12 acres of potatoes, and 15
tons of onions. His farm and stock is
worth \$30,000, and he made it all in
ten years.—Exchange.—Advertisement.

Dove on Gun of Death Ship.
While the Montana was steaming
slowly northward through the fog a
white dove, the omen of peace, blown
apparently from the Virginia shore,
alighted on a ten-inch gun on the deck
of the cruiser. More than 100 blue-
jackets on the Montana, their terms
having expired, are glad to be home.
A little yellow swallow, blown to sea
near Cuba, remained on one of the
cruisers all the way to Vera Cruz and
is still on the deck of the warship.—

Oldest Welshman.
The oldest Welshman in the world
is Mr. Thomas Morris, who lives at
Westerville, Neb. Although he is
now an American citizen, he was born
a subject of George III., at the little
village of Berriew, Montgomeryshire,
on January 15, 1794. He is therefore
one hundred and twenty years old.
His father was an agricultural la-
borer and died when the boy was three
years old. Morris was apprenticed to
a cobbler and followed his trade in
this country until 1871, when, at the
age of seventy-nine, he emigrated to
America.
The old man is very proud of the
fact that he has lived in three cen-
turies. He remembers the union of
Great Britain and Ireland, the assassi-
nation of President Lincoln and the
laying of the first Atlantic cable.
Morris can still walk with the aid
of a stick and see with the aid of
spectacles, which he first purchased
after passing his hundredth birthday.
His hearing is good, and he enjoys a
cup of tea or coffee with each meal.—

HER MOTHER-IN-LAW
Proved a Wise, Good Friend.
A young woman out in Ia. found a
wise, good friend in her mother-in-law,
jokes notwithstanding. She writes:
"I was greatly troubled with my
stomach, complexion was blotchy and
yellow. After meals I often suffered
sharp pains and would have to lie
down. My mother often told me it
was the coffee I drank at meals. But
when I'd quit coffee I'd have a severe
headache.
"While visiting my mother-in-law I
remarked that she always made such
good coffee, and asked her to tell me
how. She laughed and told me it was
easy to make good 'coffee' when you
use Postum.
"I began to use Postum as soon as I
got home, and now we have the same
good 'coffee' (Postum) every day, and
I have no more trouble. Indigestion
is a thing of the past, and my com-
plexion has cleared up beautifully.
"My grandmother suffered a great
deal with her stomach. Her doctor
told her to leave off coffee. She then
took tea but that was just as bad.
"She finally was induced to try Post-
um which she has used for over a
year. She traveled during the winter
over the greater part of Iowa, visiting
something she had not been able to
do for years. She says she owes her
present good health to Postum."

Name given by Postum Co., Battle
Creek, Mich. Read "The Road to Well-
ville," in pkgs.
Postum now comes in two forms:
Regular Postum—must be well
boiled. 15c and 25c packages.
Instant Postum—is a soluble pow-
der. A teaspoonful dissolves quickly
in a cup of hot water and, with cream
and sugar, makes a delicious beverage
instantly. 30c and 50c tins.
The cost per cup of both kinds is
about the same.
"There's a Reason" for Postum.
